

Knowledge for Creating
and Sustaining
the Built Environment

Baltimore Chapter CSI is extremely proud to announce its 50th Anniversary this year!

In order to commemorate this very special milestone and what will be an historical event we would like your participation as a sponsor for the Baltimore Chapter's 50th Golden Anniversary Gala that will take place at The Engineer's Club at the Garrett Jacobs Mansion in Baltimore on September 18th, 2009. Your participation as a sponsor will help to make this a very memorable event in the history of the Baltimore Chapter CSI.

Baltimore CSI anticipates a very, large attendance from our local members and members across the country. Attendees will include architects, engineers, general contractors, subcontractors, facility managers, product representatives and building owners.

As a gracious supporter of this event the sponsor will receive their name listed in the following media format:

- ***Baltimore Chapter CSI website during the event.***
- ***Event announcement***
- ***Constellation newsletter following the event***
- ***Official event program***

- ***Note: Sponsors with a pledge donation of \$1000 will also receive a special gift and recognition***

Visit the Baltimore Chapter CSI website at: www.csibaltimore.org for information regarding chapter events and activities or the national website: www.csinet.org for New Construction Documentation, Education Seminars, Certifications, Greenformat, BIM Training, Educational Webinars, Convention News or Community Forum.

Please complete the attached sponsorship form and return no later than August 1, 2009.

If you are unable to sponsor at this time, please consider a donation of any amount.

If you have any questions or need additional information, please do not hesitate to contact:
